Dear Mark

This letter serves to confirm our discussions that we seek a collaborative relationship with Mark Wiltshire Golf in terms of us jointly unlocking professional golf event opportunities within Africa and the Indian Ocean Islands.

In consideration of the above you have a mandate from us to create a platform for discussion and negotiation with interested parties that may want to sponsor and derive benefits from hosting a professional golf event.

We are a founder member of The International Federation of PGA Tours and the recognised sanctioning body of professional touring golf in Africa. We are proud of the fact that our members have won more Major Championships and World Cups than any other country outside The United States of America. Our expertise in staging professional golf events and providing quality players will provide a platform for any potential sponsor in Africa or The Indian Ocean Islands to derive value.

We know that you are well positioned and understand this important market and we look forward to working with you in terms of unlocking opportunities for us. Should you require any further information, please do not hesitate to contact me.

Sincerely,

Grant Wilson
Chief Operating Officer
